### Definitions:

To be granted a Student Visa to study in Australia, applicants must satisfy the Genuine Temporary Entrant (GTE) and Genuine Student (GS) criteria. This is defined by the Australian Government Department of Home Affairs: Immigration & Citizenship. Information can be found at: <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500/genuine-temporary-entrant>

All applicants for a Student visa must show they are coming to Australia temporarily to gain a quality education. The GTE requirement addresses whether the individual circumstances of an applicant indicate that their intention is for a temporary stay in Australia.

A Genuine Student (GS) is an individual who intends to obtain a successful educational outcome and has the language, educational and material background to have a reasonable chance of achieving this educational outcome.

Factors that are considered for GTE and GS are as follows: English language proficiency; financial capacity; prerequisite schooling and intention to comply with visa conditions.

Danford College requires this Declaration of GTE and GS status in order to issue your Confirmation of Enrolment (CoE).
